

SFUSD

November 12, 2009

Dear Parents/Guardians:

Alamo Elementary is about to embark on a five million dollar renovation and construction project. Starting this week, you will see increased activity as the district prepares to bring two portable classrooms onto the playground, and starts the necessary work to set up the plumbing and electricity. Throughout the next month, you will see construction trailers placed on 23rd Avenue, and the creation of a staging area on the playground. Kindergarten teachers will be moving into alternative classrooms over the winter break, and renovation of the kindergarten classrooms will occur from December – March, 2010.

SF Food Drive

Last week, you received a packet of information regarding the annual SF Food Drive. Please consider contributing and helping SF families who are struggling in this volatile economy. Suggested food items include rice, pasta, canned fruits or vegetables, tuna, canned meats, soups, stews and chili, peanut butter, and cereal. Please do not provide any glass containers.

Flu Precautions

Once again I would like to reiterate what all of us can do to prevent the spread of the flu.

- Sneeze or cough into a tissue, elbow or sleeve. Throw the tissue in the trash after you use it.
- Wash your hands often with soap and water, especially after you cough or sneeze. Alcohol-based hand cleaners are also effective.
- Avoid touching your eyes, nose or mouth.
- If you are sick, please stay home.

Stop, Drop & Go

I want to thank everyone for following all the procedures for the Stop, Drop & Go program each morning. With the upcoming construction project, there will be an even greater need for all drivers to be patient and cooperative. Please review the attached Stop, Drop & Go procedures.

Mark your Calendars

Wednesday, November 25 – Friday, November 27 - Thanksgiving break – No School

As always, please contact me if you have any questions or concerns.

Sincerely,

Herb Packer
