

SFUSD

January 13, 2010

Dear Parents/Guardians,

On behalf of the entire Alamo staff, I want to wish you a Happy New Year.

Construction update: The construction project is proceeding according to schedule and there have been no major problems. Three kindergarten classes have relocated to portable classrooms on the playground and one kindergarten class has moved to the first grade section of the first floor. The project includes renovation of all classrooms including new flooring, ceilings, and paint as well as general school improvements to meet the requirements of the Americans with Disabilities Act. Please know that there is a construction manager on site every day to insure your children's safety and great attention is being devoted to the containment and removal of any hazardous materials according to the strictest of state standards.

Also, this project is using as many "green" products as possible. Please contact me if you have any questions or concerns.

Report cards: The second grading quarter ends Friday, January 15. **Report cards will be sent home on Friday, January 22.**

Mark your calendars.

Monday, January 18 – Martin Luther King, Jr. holiday

There is no school.

Friday, January 29 – Staff Development day

There is no school for students.

Emergency cards – Please inform the office if you have any changes to your address, phone numbers, or emergency contacts. It is absolutely imperative that the school is able to reach you in the event of an emergency with your child.

As always, please contact me if you have any questions or concerns.

Sincerely,

Herb Packer

Herb Packer, Ed. D.
