Happy New Year and welcome back to school.

## CHINESE NEW YEAR PARADE:

Alamo will be participating in the 2010 Chinese New Year Parade, Saturday, February 27, 2010. More information on how to participate will be distributed in future Wednesday envelopes.

## FAMILY SCIENCE NIGHT:

Mark your calendars for Family Science Night, Wed. Feb. 24th. The Exploratorium will return to lead a fun evening of exploring the science of light and color. All grades welcome. Dinner will be available beforehand.

## FROM THE FOUNDATION:

Thank you to all our generous donors who gave to the annual giving campaign. So far we have raised over \$16,000 from about 20% of our families. Please take a minute to make a donation - - big or small - - and keep the choral music and physical education programs thriving at Alamo. Exceptional PE and music programs are something we've come to expect, but we can't continue to offer it without your support. Our goal is to raise about \$100 per family with this fundraiser. Thank you to the families who were able to give more than \$100 - your donation will go a long way to make sure all Alamo kids receive these programs.
